

BORDERLAND A'S CHAPTER

MODEL A FORD CLUB OF AMERICA

LAS CRUCES, NM - EL PASO, TX

Who Are We?

The Borderland A's are a group of Model A Ford owners who live in Southern New Mexico and West Texas who get together to enjoy our cars and each other's company. We're a chapter of the Model A Ford Club of America (MAFCA).

We have a business meeting once a month at the homes of our members and we try to have a monthly social event.

If you have a 1928-1931 Model A Ford vehicle that's basically original or restored, you are invited to visit one of our meetings or events.
