

MEMBERS OF MODEL A FORD CLUB OF AMERICA

My wife and I have been members of MAFCA for almost 10 years. I am very enthusiastic about the Model A Hobby. I have served as Treasurer of our local chapter and as president for four years. I am currently a member of multiple chapters. I am honored to have organized tours and events and I recognize the time and work that it takes to get the job done. I have restored a number of Model A's and I do so with a passion.

I am a strong supporter of youth activities and strongly believe that enhanced youth activities will encourage increased youth participation.

As a former employee of DuPont and a small business owner, I have extensive operations and management skills and would like to contribute my experience and enthusiasm toward the continued growth of MAFCA and increase membership support.

With your vote, I look forward to serving you.

THANKS

WILLIE SANDERS
